Hi Missy,

Thank you for the detailed email. How many days a week are guys working? Is the day rate paid 7 days or just days worked?

Are there medical and retirement benefits?

> Below is the payscale for Puerto Rico. We will be working no more than 12 hour days because that's all they will allow. Your daily pay is the same no matter what the hours are. All expenses, meals and lodging are covered. We are also providing immunizations before you go. I've attached an application. Get it back to me ASAP with your driver's license, uniform sizes and glove/sleeve sizes.
